Atlanta, GA 30303
September 8, 2021

Mr. Taylor:

I am submitting this report pursuant to Paragraphs 52(g) of EPA's May 13, 2021 Order. Attached is a map indicating the locations of the three on-site monitors, a wind rose indicating predominate wind direction during the 7-day monitoring period, a wind rose for the most recent single day with elevated readings, and a summary table of recent 7-day rolling average values.

Paragraph 52(g)

We are evaluating the numbers for accuracy. The averages for this period for the three onsite monitors are summarized as follows:

7-day Period		ONsite 7-day Avgs			24hr Period	ONsite 24hr Avgs		
Period Start	Period End	Station 1	Station 2	Station 3	Calendar Day	Station 1	Station 2	Station 3
09 / 01 / 2021 00:00	09 / 07 / 2021 23:59	110.6	4.0	7.3	09 / 07 / 2021	43.5	2.4	1.8

This report is submitted due to the events presented in our September 3, 2021 submittal.

Please let me know if you have questions.

Thank you.

A handwritten signature in blue ink, appearing to read "Pete Cleveland".
